THE HOME

In Forte dei Marmi, a renovated villa with refined interior design: blue boiserie, light floors, marble and sculptures, balancing elegance and lightness.

The living area is open and bright, with a designer living room and a large dining table. The bedrooms are refined, one with hand-painted wallpaper and one in the attic with skylights; the bathrooms are in marble, with rain showers.

Outside, the garden with lawn and a stone-clad pool, between the porch with its dining table and the loungers in the sun. The sea, the beach clubs and the centre are a few minutes away. We welcome you in person on arrival.
